

OPEN GALLERY KELSEY MUNRO**LOVE MOMENTS**

This diverse group mixed-media exhibition has the oldest and grandest theme of art as its linking thread: love. It's a bit uneven in terms of quality and the works are very different, from Georgia Jarrett's neon heart sculptures to photographer Dave Sparkes's sun-splashed and sensual underwater nudes. Serene Aguirre tackles a digital-age version of love, using Japanese manga cartoons in mosaic; Felicity Hibble uses densely layered text and drawings in her romantic but melancholy works; and Michelle Klisowsky's smooth, abstract steel sculptures are striking. There are also paintings by, among others, Virginia Bucknell and Wendy Cohen.

Art Moment Gallery, 99 Curlewis Street, Bondi Beach, 9365 4999, Tue-Thu, 11am-7pm; Fri and Sun, 11am-4pm, closed Saturdays. Until March 8.
